The Court made the following :

ORAL JUDGMENT:

(per Hon'ble The Chief Justice)

.....

1. Heard counsel for the appellant. Challenge is to the order of learned single Judge disposing of the writ petition with direction to the Revenue Divisional Officer to complete the enquiry initiated against the petitioner expeditiously within a period of four weeks. Appellant is still aggrieved with the same on the ground that learned single Judge ought to have quashed and set aside the order of suspension since the very basis for putting him under suspension on some charge, on the basis of which affidavit of third party was filed in writ petition, is unsustainable.

2 . Having duly considered the record, we do not find any force in the contention inasmuch as whether or not suspension is warranted cannot be made subject-matter of judicial review by filing some material which was not before the authority who passed the order of suspension. Learned single Judge was justified in disposing of the writ petition.

3. In the result, writ appeal is dismissed. No costs.
